About This Webinar

So you're ready to disrupt the healthcare industry? In this webinar targeted to business strategists within the start-up community, we discuss the absolute essentials of digital healthcare, the industry components, market opportunities and insights on how to address them. Please note that this session is a strategic industry wide view, and should not be perceived as an analysis of a specific market sub-segment.

Agenda

- Why digital healthcare is happening now

The Future Of Our Industry: Are You Prepared?

Friday, Mar 9, 1:00 PM CST Show on my timescale

The deadline for the new Data Protection Regulation is May 25, and it is likely to affect most companies around the world in one way or another — even ones not based in Europe.

The consequences of it can be severe, so make sure you join this webinar to learn more about it and get suggestions for what to look out for in your preparations. Plus, if you join, you'll get a special gift only for attendees!

Emerging Technologies for Performance Management

Description

This is a description about the event. A good description is informative but also concise. It's your chance to write a quick grabber that gets people in and makes them really want to attend. Why should they take the time for this event? What will they learn and how will it impact them? This is a great opportunity for you to communicate the value of your content.

Time

Monday June 7, 2018, starting at 9:00 AM Central Time (US & Canada)

Future Forecast: What to Expect for Digital Marketing

In this one hour session, we'll introduce you to our digital marketing playbook. You'll be able to use it to define the activities required to successfully create, plan, and execute a digital marketing program. For the first portion, we welcome successful marketing expert, Michael Williams, who for the past 14 years has served as the Head of Digital Marketing Strategy at Digital Dynamics, Inc. In the second portion, we'll add former marketing expert, Serena Ramirez, who has experience working with a range of businesses from award-winning startups to Fortune 500 companies.

Within each portion of this webinar, there will be a series of essential activities that will help define all of your digital marketing programs, your sales & marketing goals for the upcoming year, and your company's

The background is a solid blue color with several faint, light blue technical diagrams. A large circular scale on the left side has numerical markings from 140 to 260 in increments of 10. Other diagrams include concentric circles, dashed lines, and arrows, suggesting a technical or scientific theme.

THANK YOU
